Each year, the Hemet Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These exceptional companies help make the Hemet area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2020 Hemet Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Hemet Award Program and data provided by third parties.
